

Learning Unit TIPS

Pay attention:

for every learning unit you have to write:

- tTpe of school year and time
- Pre- requisites
- Knowledge, skills and competences
- Mind maps if needed,
- Methodologies, strategies and innovation on your lesson.
(Innovative learning can be games, apps, platforms etc..)
- You don't have to explain the argument of the lesson but HOW you design, the lesson.
- Include an evaluation grid
- Take account of students with special needs if you have them.
- Strengths and weaknesses
